### Book File Details:

*Review: I ordered this book on the recommendation of a book blog, which hailed it as one of the best new picture books, so I had high expectations. I was mostly not disappointed: the illustrations are indeed beautiful, the idea to reverse the imaginary friend/child dynamic is quite interesting, and the girls drawings mirroring the illustrations of the book...*

*Description: This magical story begins on an island far away where an imaginary friend is born. He patiently waits his turn to be chosen by a real child, but when he is overlooked time and again, he sets off on an incredible journey to the bustling city, where he finally meets his perfect match and-at long last-is given his special name: Beekle. New York Times bestselling...*
